OVERVIEW

This CME will be of great value to all clinicians with a high risk obstetric practice and to post graduates in Obstetrics & Gynecology. The 2 – day course is structured to address current maternal medicine issues across all medical sub-specialties with specific relevance to obstetrics.

This will be a unique opportunity for Obstetricians in India who want to learn the latest developments in maternal medicine but find it difficult to travel abroad due to financial and time constraints. A live videoconference of the above course from RCOG is being organized in Delhi at a highly discounted registration fee (13% of the UK Fee £ 525). **The certificate of attendance for this course will be issued by the RCOG, London.**

Course Organisers:

Mr Jason Waugh MRCOG, Newcastle upon Tyne
Professor Fionnuala McAuliffe FRCOG, Dublin

Convenor of Meetings:

Mr Nick Panay MRCOG, London
