HARNESS THE POWER OF KNOWLEDGE THROUGH PRACTICE

We are thrilled to announce the 36th AICC RCOG Annual Conference 2023, and extend our invitation to you to learn, imbibe, and practice the latest in obstetrics and gynaecology. This remarkable event offers a unique platform for the participants to engage with peers and experts from all over the world and share their ideas and experiences in person.

Scheduled to take place in New Delhi from 28th September to 1st October 2023, this prestigious event is aimed at providing a premium platform for trainees, clinicians, academicians, and practitioners from across India to share their research findings with global experts and explore new scientific concepts. Our team is highly motivated to create an excellent environment that will facilitate collaboration and foster scientific discovery.

The four-day conference is packed with exciting features, including several workshops with international faculty, sessions on how to pass the MRCOG exam, keynote lectures, and evidence-based RCOG practice guidelines, all aimed at improving women's health. Our team is committed to complementing the academic content with warm hospitality to ensure that all participants have an unforgettable experience.

We earnestly hope that you will join us in large numbers to make this event a resounding success.

Having a location that has high connectivity to Delhi's prime area is a plus point giving you the chance to enjoy both, the events and the city.

We look forward to welcoming you to the 36th AICC RCOG Annual Conference 2023.
